Community Table Guidelines

- Must be a non-profit organization. A non-profit activity of a for-profit group (e.g. providing educational information free to the public) will be considered on an individual and space available basis. There is no charge.
- Non-profit organizations may sell items as a fund raising activity.
- Recommended participation is no more than once per month.
- Advance reservation is required as available space is limited. Any changes to reservation dates must be relayed to the Market Master as soon as possible. "No-show" community tables will forfeit any and all future dates scheduled.
- Display table and facilities must be provided by the participating organization. Please have signage clearly identifying the group. The Market will also provide a "Community Table" sign to be displayed on the table during the Market.
- "General Rules for Market Operations" in these rules apply to Community Tables for set-up and conduct during Market hours.
- Community Tables are reminded that the focus of the Market is for Vendors to sell their wares. Community Table personnel will in no way interfere in any Vendor's ability to do business, or in the running of the Market. Community Table personnel will stay within their assigned space and will not approach customers.

My signature confirms that we have received and that all members will comply with the Rules and Regulations, and in particular, the Guidelines given above.
